

## **7.1.1: Measures initiated by the Institution for the promotion of gender equity during the year**

---

KWC promotes student diversity in all undergraduate and postgraduate courses. The huge number of female students are submitted to our college than that of male students in all the courses. The number of female teaching faculties is also large. Our college promotes female students to learn and educate. The active committee for the prevention of sexual harassment is built for the safety and security of female students and teaching faculties. In this counselling is done. Due to large number of female teaching faculties the girl students are safe and secure in college campus and they can share their difficulties to all these teachers. The college has precious common room for female students.

College has organized to blood donation camp to introduce awareness in students and also organized HB check-up camp to aware about haemoglobin in female students to prevent anaemia. College has organized Yoga day in online mode to remain physically and mentally fit in Covid-19 pandemic situation and created healthy environment. Also, NCC (Girls) department gives training of self-defence. International Woman's day is organized by our college to empower the female students.
