4.2.1. Library is automated using Integrated Library Management System (ILMS)

The Library has an adequate infrastructure with ILMS entitled “**PURNA Library Management System**” comprising the modules for services such as Acquisition, Cataloging, Circulation, Serial Control, Library Administration, Daily Transaction, Membership Services, etc. Attributes of the members are directly fetched into the ILMS database. The library is fully computerized. The entire database is updated frequently. OPAC is available for students and faculty members. The issue and return of books are enabled with Bar-code scanning. **OPAC facility** is made available in the central library for searching of books by proper keyword. The Library is equipped with Textbooks (**27585**), Reference books (**38392**), printed Journals (**61**), e-journals, and e-Books. Total titles are **33089**. The **reading room** is well furnished to accommodate **200** students at a time and provides a conducive environment for study. The library is under **CCTV surveillance**. **e-Resources:** N-list consortia provides **90,000+ e-books** and **3000+ e-journals**. The unit of **20 computers** with an internet facility is made available to access e-contents. The digital library entitled “**LES Digital Library**” also facilitates the students efficiently. The e-books, pdf, question papers, syllabi of various curricula, reading materials, etc. are stored on its database. It has a dedicated “**LES Digital Library App**” through which the students and faculty members access the e-contents.
